The minimum entry is 40. If the minimum figure is not reached the organisers have the right to cancel the meeting.

Entries, including drivers to be nominated, will normally be accepted in strict order of receipt subject to relevant membership and championship registration fee having been received. In the event of over subscription complete entries will take precedence of those which are incomplete.

The opening date for entries will be the publication of these regulations and the closing date as per the table at point 1 above. Late entries may be accepted up to Wednesday before the event subject to the maximum number of entries for the event and the number of entries in any individual championship and the number of races to be run during the event.

Entries for these events can only be made via the Championship's online entry form details of which are provided upon registration for the Championship (Championship Regulations 1.4).

18 Entry Fee/Refunds

The entry fees are as per the table at point 1 above.

Entries received after the closing date will be deemed as a late entry and subject to an additional £50 fee.

Entry fee will be refunded in full for entries withdrawn, in writing, not later than the Wednesday prior to the event.

Any reserve having practiced but not obtained a grid position will receive a refund of their entry, less £50 (this consists of a £25 administration fee and £25 in fees payable to the MSA).
