The Home Page also displays a calendar which you can scroll through by clicking the appropriate month. Each date in the calendar will display with a coloured background depending on the activity taking part on that date. You will also see details of any correspondence which has been sent to you by the BARC Competitions Department.

My Details

Click on “My Details” and a screen will be displayed showing your contact details. Some of this may already have been prepopulated as the system will have dragged some of your information across from the BARC Membership system. If some of the details are blank or for that matter incorrect, you can change them here.

Personal Details

Here you will see a field for Home Town – this is used to show your Home Town in event programmes. So if you live in Bristol and want to show your Home Town as Aberdeen, you can do so here.

Contact Details

Please ensure that your telephone numbers are correct as we may need to contact you by phone. Also note that if you change your email address here, this will also change your login username name – Beware.

Driving Details

Please make sure that you update your Licence grade and also your licence number. These details will be used to produce sign on sheets.

The Insurance Details doesn't need to be filled in but is a handy record if you need to record any insurance records you may have for your vehicle.

Your Next of Kin details must be entered if you wish to make a race entry. This means that the organisers will have this information available on race day should they need to access them. This is important, so please make sure you fill them in correctly.

Finally, please make a note of any Medical Conditions which we may need to bring to the attention of the Chief Medical Officer.

When you have completed all of the information, just click “Save” at the bottom of the page. You should see a message stating “My details saved successfully”

My Vehicles

The next tab is “My Vehicles”. Again this may already contain your vehicle details but if they don’t, then you can click on the “Add Vehicle” button which will open a new vehicle detail screen.

My Championships

The next tab is “My Championships”. If a championship is not displayed then you will need to contact BARC Competitions Department who can add you to your requested championship. The screen will then look something like this.

The screenshot shows a web browser window displaying the 'British RallyCross Championship (BRX) 2016' page. The page has a blue header with a navigation menu: Home, My Details, My Vehicles, Championships, Race History, Book, Pay, Race Prep, Member Info. The main content area is titled 'British RallyCross Championship (BRX) 2016' and includes an 'Overview' section with the following details:

Race History

The next tab is "Race History". Over the period of time you compete with BARC using the online system, your results for the various events you have entered and competed in will be displayed here.

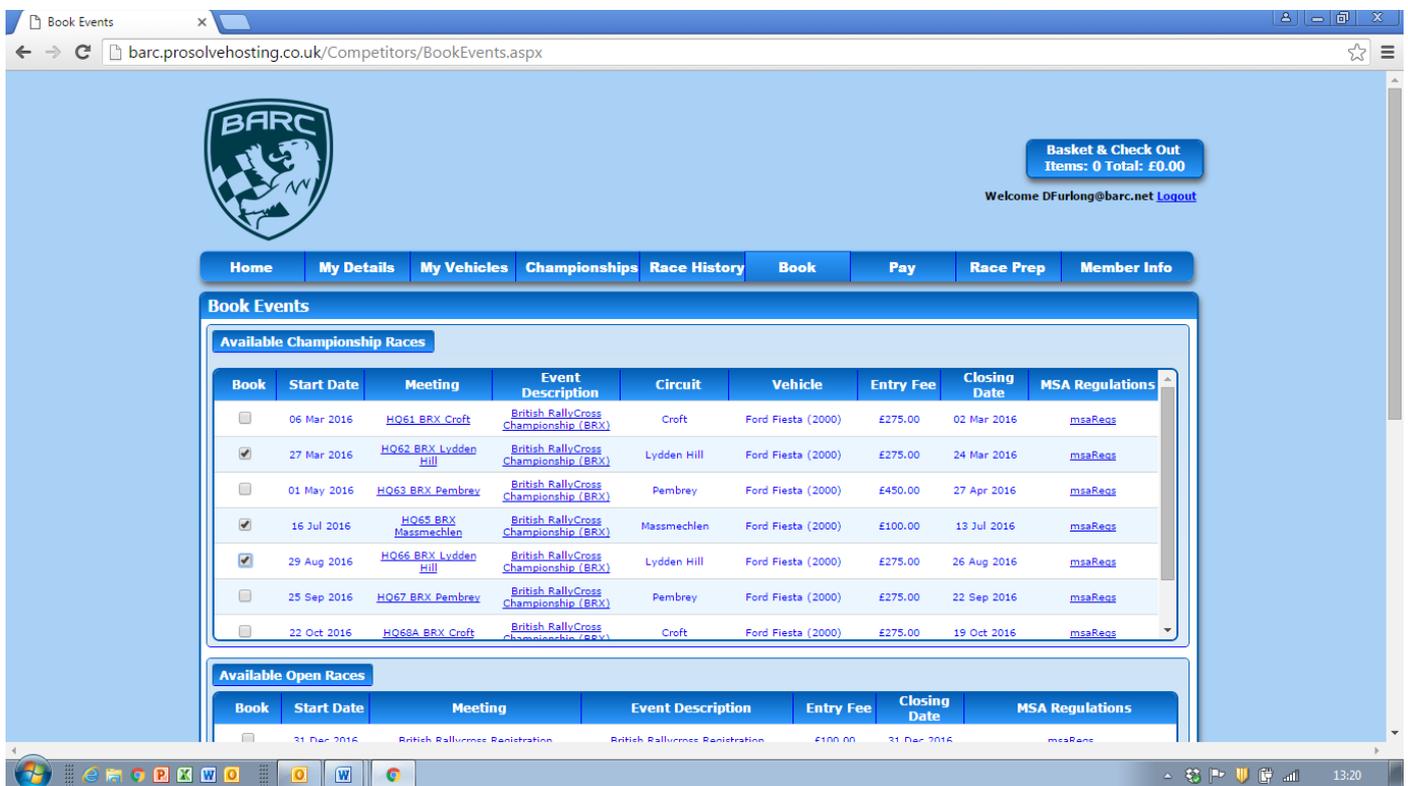

The screenshot shows a web browser window with the URL barc.prosolvehosting.co.uk/Competitors/RaceHistory.aspx. The page features the BARC logo in the top left corner. In the top right, there is a blue box indicating 'Basket & Check Out Items: 0 Total: £0.00' and a welcome message: 'Welcome DFurlong@barc.net Logout'. A navigation menu is located below the logo, with 'Race History' highlighted. The main content area is titled 'Race History' and contains a table with the following columns: Start Date, Meeting, R. No, Event Description, Circuit, Vehicle, Class, and Pos. The table is currently empty, displaying the message 'There are no items to view.' Below the table, there is a blue bar with the text 'Contact Details - Email Club' and a small icon. At the bottom of the page, it states 'This website has been designed and developed by Prosolve Software Ltd' and 'Version: 3.2.1.0'. The Windows taskbar is visible at the bottom of the screenshot, showing various application icons and the system clock at 13:18.

Book Screen

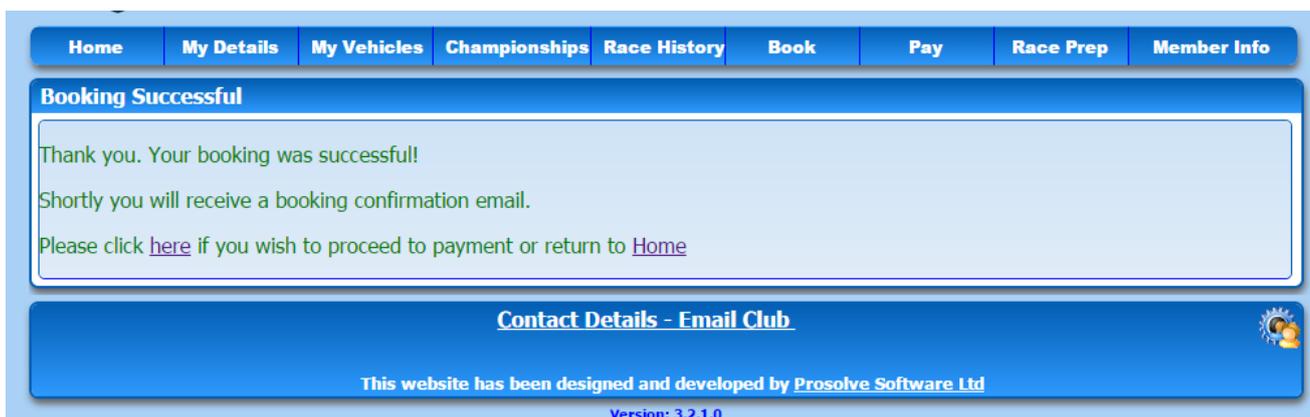

By clicking on the Book Tab you will see displayed all those “Championship Races” which are available for you to enter. Again if no championship rounds are displayed this may be due to the fact that you have not yet been allocated to a championship (or you may have already booked all rounds!). In this case please contact BARC Competition Department either by telephone on (01264) 882209 or by email to DWheadon@barc.net

You can now book what events you wish to enter during the season. This can be for a single event or you can book multiple events by selecting the appropriate tickbox in the first column. Please remember that you are only selecting which events you wish to compete in. You do not have to pay for these events until you wish to do so by using the “Pay” tab. However, it is a good idea to book those events you are planning to do as this will give the Competitions Department a better idea of the likely number of competitors attending and remove the necessity of them contacting you to see if you do wish to enter.

After you have selected all of the events you wish to enter, simply tick the disclaimer box and then select “Book Events”.

You will then see the following message displayed confirming the booking process:

Pay Screen

The Pay Screen will display all of the races which you have booked but you have not yet paid.

The following races are ready for payment, simply select the races you wish to pay for and click 'Add to Basket', then select the 'Basket & Check Out' at the top of the screen to pay.

In accordance with MSA Regulations, you will also need to declare if this is your first time competing at this circuit in its current configuration. If it is you should select the tickbox under "Circuit Experience".

Correspondence

The default option for tickets is to the competitor's postal address. You can specify an alternative address for this event only. This is handy if for example you want all your tickets sent to your team or sponsor.
