## Thruxton Circuit

On behalf of the Club can I thank you for your support over the weekend, without you we would not be racing.

### Saturday 22<sup>nd</sup> April 2017.

Signing on 07.15 - 08.00

Briefing 08.15 in Paddock Bar

On Post 08.30

Stewards 08.45

Start 09.00

### Sunday 23<sup>rd</sup> April 2017.

07.15 - 08.00

08.15 in Paddock Bar

08.30 then 10.30

08.40

08.55 re start 10.45

Access to the Circuit is via the main entrance and by using your MSA Registration card, if you don't have one please contact Paula Brown at BARC know [pbrown@barc.net](mailto:pbrown@barc.net) for a ticket.

On entry follow the road up to the Mini Island and turn right, then park in the grass area on the right at the rear of the main grandstand then it's a short walk to the "Marshals Sign-On Office", after sign-on you will be able to move your car to a location closer to your post.

If you arrive after signing on has finished, please report to Race Control where you can sign-on and be allocated a duty and post for the day.

Marshals Camping – This is behind the main grandstands, overlooking the Kart Centre and will be available from Friday morning but must be vacated by noon on Monday. Toilets are underneath the grandstand.

Please note: If you have volunteered but cannot do the event can you please let Paula Brown at BARC know [pbrown@barc.net](mailto:pbrown@barc.net)

The CSCC and would like to thank the BARC for all the help they have given us, it is much appreciated.

Thanks for your support, Robert

**MARSHAL NOTES**  
**MSA Regulation Q15.1.1 (e) The Code 60 flag (Purple)**

The Code 60 flag will be brought into operation to neutralise a race at the sole decision of the Clerk of the Course, all flag points will have a separate radio system for communication from race control.

A standby message will be transmitted first, then a count down from 10 seconds to the deploy Code 60 Flag simultaneously at all flag posts.

When deployed, it will be displayed waved for 1 lap, then stationary. My understanding of waved flag is to add movement into the flag, Yellow Flags will be displayed at the scene of the incident but no Green flag will be shown after the incident. As the Yellow Flag area is reduced the Yellow Flag will be replaced by a Code 60 Flag.

All competing cars, when notified of the Code 60 intervention will release the throttle, reduce their speed to a Maximum Speed of 60kph and should remain behind the car in front. In driver briefings, they have been told that it is not an order to do an emergency stop.

Overtaking is strictly forbidden until the green flag is displayed. Any infringements may be penalised by a time penalty of 1 minute, or more.

While the Code 60 is in operation, competing cars may enter the pit lane, but may only re-join the track when signalled to do so.

When the Code 60 flag is withdrawn, it will be replaced with a waved green flag for one lap shown simultaneously at all posts.

Other reported or noted infringements may be investigated by the Clerk of the Course and may result in the application of penalties in accordance with Section C of the MSA Yearbook.

The Safety Car remains an option during qualifying and race.

Your Safety is still the most important thing, if under Code 60 or Safety Car you still feel unsafe tell us.
