Technical Information

- Technical Scrutineer: **Keith Auld**
- **Fuel: As per Championship Regulation 5.16.3.1.** Pump Fuel to MSA Regulations must be used (see definition; Nomenclature and Definitions; MSA Reg J5.13.4). This includes both Unleaded and Super Unleaded from any source. Teams must be able to provide receipts for fuel purchased for this event if required to do so by the Technical Scrutineer.
- **Protyre:** Protyre will be situated at the top of paddock A and open from 08:00hrs on Friday. Teams must leave a set of wheels with Protyre by 15:00hrs on Friday for race tyres to be fitted
- **Scales:** Championship scales will be available from 08:00hrs on Saturday morning in the Scrutineering Bay

Important Note – Driver Licences

Drivers must remember to collect their race licences and upgrade cards at the end of the meeting. Due to the number of items currently being lost in the post, drivers who leave their upgrade card for CoC signature and do not collect them at the end of the meeting, leave them at their own risk. For the avoidance of doubt, BARC will return uncollected cards by 1st class post , on the day following the event but will accept no responsibility whatsoever if the card does not reach the intended recipient.

Pit Lane Allocation

Will be issued once all entries are confirmed.
