Paddock Vehicle Passes are enclosed (paper entries only) email recipients will receive via email, permitting one vehicle or trailer to be parked in the paddock during the meeting, in addition to each competing car. All other vehicles/trailers should be left on the trailer park. Any unauthorised vehicles parked in the paddock may be removed by the organisers. Please park centrally on your numbered position in the paddock.

Motorhomes and caravans must only be parked in the trailer park.

Scrutineering - All cars will undergo scrutineering in their allocated paddock parking bay, in batch order.

Any car that does not meet the Motorsport UK noise level requirements may be refused permission to run until it is able to comply.

Health & Safety - the testing of vehicles on the entrance road or any part of the public enclosures is prohibited.

The start line is designated a hazardous area and no-one under the age of 16 is allowed to enter.

TYRE WARMING/SPINNING OF WHEELS PRIOR TO THE START LINE IS NOT ALLOWED

Paddock safety - the paddock is a non-competitive area and cars must be driven at walking pace when entering and moving about in it. Please give pedestrians due consideration and have regard for their safety. No engine shall be run with the gears engaged whilst the vehicle has any driving wheels not in direct contact with the ground, unless all moving parts are adequately guarded and, a competent person is seated in the driving seat. Because of the restricted nature of the paddock, the riding of paddock bikes (two, three or four wheel, motor or pedal powered) is strictly prohibited. NB: All tarmac roads must be kept clear at all times for access.

DRONES - THE LAUNCHING OR OVER-FLYING OF DRONES ON THESE PREMISES IS STRICTLY PROHIBITED.

Waste oil - there is a waste oil receptacle adjacent to the toilet block. Anyone found depositing waste oil anywhere else will be charged with the removal and cleaning.

Course information - there are red lights between Chippy's and Country Corner and also on Quarry Straight which should be treated in the same way as red flags. In areas where corner cutting has taken place there are demarkation posts, which are not penalty markers but which may cause damage to your vehicle if you hit them. Deliberate driving over these markers may be dealt with under C.1.1.5 or C1.1.8.

Leaving the paddock – any competitor wishing to remove their competition car from the paddock during a meeting must notify the Clerk of the Course. The car may be subject to re-scrutineering on its return. Competing cars or tender vehicles may leave the paddock prior to the end of the meeting under direction from the paddock marshals. No trailers or tow vehicles should be taken in or out of the paddock before the end of the meeting. Please contact the Chief Paddock Marshal if you have any queries about moving your vehicles during the meeting.

Please comply with all instructions of marshals and notices and remain in permitted areas only. **Competitors are reminded that cars must be provided with a means of starting (S10.3.3). Marshals have been instructed not to push start any cars.**
