

## CNC HEADS SPORTS/SALOON CHAMPIONSHIP 2019

### Bulletin 002 - Entry Forms

Please find attached to the mail (or in the envelope for those not in e-mail) the entry form for the 2019 championship.

IT MAY BE THAT THE ENTRY FORM IS NOT YET AVAILABLE SO IS NOT ATTACHED, IF SO IT WILL BE SENT WHEN AVAILABLE.

As last year there is one entry form for the complete championship covering all rounds. Again this year there are no championship SR's, all information on that document in the past will be communicated in the Final Instructions for meetings as necessary. It is hoped that all the information you need at this juncture is included on this entry form, if not please do not hesitate to contact me.

As with the last few years the Championship is 'buying the grids' for a fixed fee for each round. The reasoning is that providing we can have 25+ cars on each grid the cost is cheaper per driver. Having taken this decision we are able to keep the entry fees at a reasonably low level, much lower than they would be if we did not buy the grids. The reduction is roughly 15-20%. As an added bonus this year we are keeping the entry fee the same as 2017.

There are, as in the past several ways of entering and paying. However, before detailing them I must take this opportunity to remind you that an entry is only complete once it has been paid for. This is most important when we exceed the grid size on 'Grid Acceptance Date' (which is now 12 days before the race and is detailed in the regulations). You will NOT be included in determining which cars are given grid slots on that date if your entry is not paid.

The easiest way of entering is via the on-line entry system at [barc.net](http://barc.net) or [barcnorthwestern.co.uk](http://barcnorthwestern.co.uk). We have the same system as last year which proved very successful. The method of entering is exactly as last year, if you have forgotten or have difficulties then please contact either myself or David Wheadon at Thruxton. The system can be accessed by clicking 'Competitor Entry System' at the top of the home screen on either [barc.net](http://barc.net) or [barcnorthwestern.co.uk](http://barcnorthwestern.co.uk) as last year. You can enter (or book as the term is on the system) one at a time or in batches and pay for the entry as and when you want - you can also request the system to take a payment 20 days before the meeting (well in time to be paid before the Grid Acceptance Date). This year you will be reminded if you have not paid as the race date approaches so there will be no excuse for failing to pay. When you enter please take the opportunity to check your details (you, car etc.) and you will be required to give next of kin details.

It is perfectly acceptable to use the attached entry form to enter by post, either paying by cheque or credit card. David at Thruxton has set up the form so that it can be opened on a computer and be completed, saved and sent back to Thruxton. This form may not be attached for early registrations as it is not yet available. If you have not received one and would like one please let me know. It will be saved on the website when available.

**In all cases if entering by post forms MUST be sent to David Wheadon at Thruxton and not to Michelle or myself, if you do then there will be delays.**

Any issues with entering please let me know.

John Leck
