

BARC Marshals Stamp Scheme 2022

For many years BARC has offered a “Stamp Scheme” which rewards volunteers for the days they spend officiating at BARC run meetings.

How it works:

Stamp cards will no longer be issued to marshals and officials, all records will now be held electronically. Each Motorsport UK permitted day attended is rewarded with a stamp, or multiple stamps, based on the type of event (see table below).

The limited number of officials that receive a reimbursement of expenses in some way for attending, such as hotel or fuel costs will not receive stamps.

By their nature some events are less well attended than others. Therefore, by way of an incentive, several circuits have been designated as venues that will receive multiple stamps. These are detailed below:

Stamps per Meeting:

BTCC events and all three Goodwood events:	1 stamp per day
24hr meetings:	3 stamps per day (inc BARC official Friday qualifying)
Events at Snetterton, Pembrey and Anglesey:	3 stamps per day (inc BARC official Friday qualifying)
Other Motorsport UK permitted BARC events not included above (including Centre events):	2 stamps per day

Redemption:

Stamps remain valid for a period of three years (i.e. a stamp from 2022 expires on 31 December 2025) and can be redeemed against BARC regalia and the items below:

BARC Date Bars (BARC members with 5+ days attendance)	4 stamps
BARC Membership	12 stamps
BARC Centre Membership	4 stamps
BARC Awards Dinner (Big Night Out)	20 stamps
Centre Awards Dinners	12 stamps
BARC Proban Overalls (Further detail to be released)	30 stamps
BARC Regalia	Priced individually
12.5% discount on BARC Group products; e.g. skid pan or racing school etc.	Applicable to BARC Members only (0 stamps) Priced individually with 12.5% discount Stamp value can also be used to offset against cost.

At the end of each season (or earlier if enough stamps are acquired), each marshal can submit their record to the Marshals Secretary, who will check that the date of each stamp agrees with the attendance record. The stamps will then be validated.

All BARC members have a number of discount benefits available to them which are outlined within the club magazine.
