

How to Register To For CNC Heads Sports / Saloon Car Championship

If you wish to join the CNCs the process is via the web site, www.barcnw.co.uk

At the top of the page there is the button CNC Heads Race Entry System, click this.

1) This will take you to the Login page.

If you have already set up/have a profile from last season login and proceed to 2)

Otherwise:

You will need to click on the other tab Create Account.

Follow the instructions to set up your profile. (Do not worry if you do not have all info re race licence to hand as you can login at anytime and edit it via edit profile button)

2) To race with CNCs you ONLY require BARC membership £40 AND BARCNW £15 (BARC Race £135 is ok instead of BARC £40)

If you have already purchased the memberships the My Memberships button will show 2 click on it to check, return to Profile and proceed to 3)

Otherwise:

Buy the memberships by clicking on Buy Membership.

Return to your Profile (click Profile button)

3) Click Vehicle Garage button (if the car you want to register is there return to your Profile and proceed to 4)

If not:

Click +addcar

Upload picture of the car (if have one to hand)

Add car details - manufacturer / model / CC if turbo charged put a T after the number or S if super charged)

There is no requirement to complete the dates etc re belts/extinguisher or other equipment

Click save

(You can edit this at any time by logging in and going to Vehicle Garage)

Return to your Profile

4) To register you will need the following info re your car

Make/model - Engine manufacturer/type - weight - power - wheelbase - Transponder number (if hire just state Hire)

From Profile

Click Championship Registration

Select CNCs

Complete form.

When you reach vehicle details click +addcar. This will take you to your garage.

Click select on the car(s) (you may then have to click close)

This will take you back to the form to complete the rest

Click submit

Go to check out and check out (it is free but the system needs to register £0)

You will then receive an email from the system saying you have bought a CNC registration for £0. The system also sends an alert to me that a registration request has been received, which i review and approve/ask for clarification. Once approved you will receive a confirmation email from the system and me that your registration has been accepted.

If you have any questions feel free to ask or call.
