

A303 Road Closure Information

25 August 2017

Dear Stakeholder,

A303 Thrupton/Andover – Bridge Refurbishment – Weekend Closure Update

Work to the bridges at Thrupton Hill, Kimpton Quarley and Picket Twenty has now started.

To allow the waterproofing material beneath the carriageway surface to be replaced, we will need to fully close the A303 for entire weekend periods (9pm Friday through to 6am Monday).

These closures have been scheduled for the following weekends, but are subject to change:

Thrupton Hill/Kimpton Quarley

- Friday 15 to Monday 18 September – A303 **EASTBOUND** carriageway closed from the A338 Parkhouse Cross junction to the A343 Hundred Acre junction
- Friday 22 to Monday 25 September – A303 **WESTBOUND** carriageway closed from the A343 Hundred Acre junction to the A338 Parkhouse Cross junction

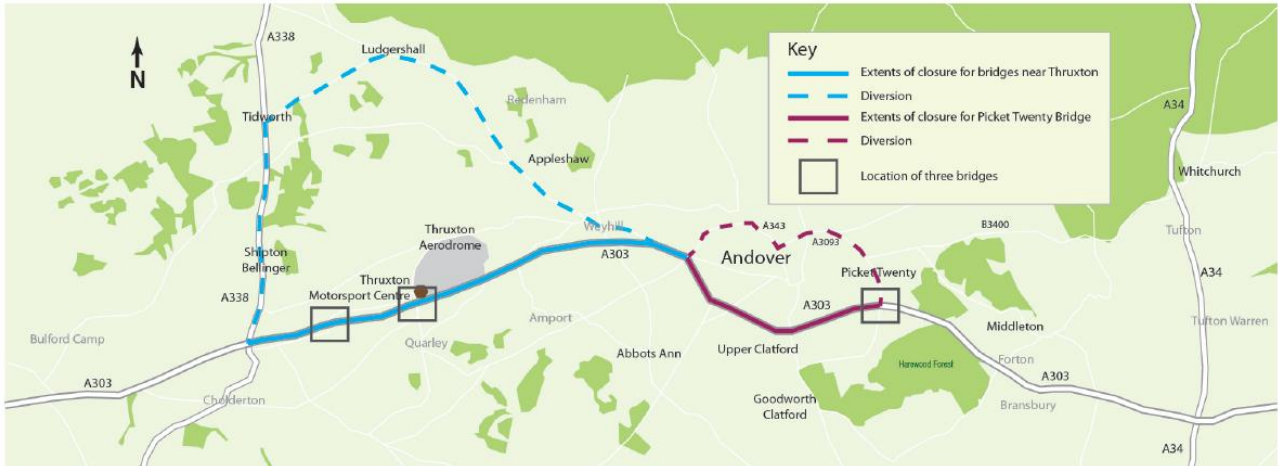

Picket Twenty

- Friday 3 to Monday 6 November – A303 **EASTBOUND** carriageway closed from the A343 Hundred Acre junction to the A3093 Picket Twenty junction
- Friday 1 to Monday 4 December – A303 **WESTBOUND** carriageway closed from the A3093 Picket Twenty junction to the A343 Hundred Acre junction

Please note that these dates are subject to change – confirmed dates will be displayed in advance on signs along the A303, on the Highways England website and via the media.

During the closures clearly signed diversions will be in place (see map overleaf). We are expecting these routes to be extremely busy, therefore alternative routes will be signed further afield for these long distance drivers travelling between the London/east area and the West Country.

Significant delays are expected during these weekend closure periods, and it is advised that you plan ahead of your journey to allow for extra time or avoid this route where possible.
