1.6.2 Marking will be within classes on a Bogey Time improvement basis. Where possible the 2019 Bogey Times will be the current class record standing at the commencement of each meeting with 20 seconds added. Exceptions to this may be where technical regulations within a class/category have changed and/or the introduction of new classes/categories and/or a change in vehicles eligible for a class/category, in any of these cases the organisers reserve the right to base the Bogey Time on a calculated "Target Time" with 20 seconds added.

1.6.3 Championship marks will be gained at the rate of .01 mark for each .01 of a second by which a driver beats the Bogey Time for his/her class.

1.6.4 Any competitor who does not beat the Bogey Time will gain no marks for that meeting. A maximum of 21 marks can be gained at any meeting.

1.6.5 Marks gained in six of the nine rounds will be counted for the Championship results. However if less than nine rounds are run there will always be two less rounds to count than the total number run (ie 6 from 8, 5 from 7 etc).

1.6.6 Championship marks will only be credited where an equal number of timed runs have been offered to all competitors.

1.6.7 Only one marking per meeting can count. Where a competitor has entered more than one car at a meeting the car that is to be credited with Championship marks, must be nominated to the Secretary of the Meeting before the start of the class runs.

1.6.8 In the event of a tie in the final marking this will be decided in the favour of the competitor who has gained the marks in the fewest number of rounds including discarded rounds. If the tie still remains it will be decided in the favour of the competitor who scores the most marks in the final round.

1.6.9 Any appeal against marks scored must be made in accordance with judicial procedures in the current edition of the Motorsport UK Yearbook
